Kevin Gleeson

(631) 532-9770 | kingsley.gleeson@gmail.com | [Github](#) | [LinkedIn](#) | [Blog](#)

Full stack web developer with a passion for making technology useful. With experience in Ruby on Rails, JavaScript, React and a background in music education, I discovered web development through educational technology and music. Along with the experience of 5 years of working professionally abroad, I bring strong interpersonal skills and deadline-driven work that helps teams big and small produce quality results.

TECHNICAL PROJECTS

Covid-19 Tracker - Github- [Frontend](#) / [Backend](#) | [Hosted Site](#) (Heroku)
A web-app designed to let users freely discover global or country specific information regarding the Covid-19 virus.
- Built user interface using React and Redux.
- Created auth-ready Rails backend for individual users.
- Styled with Custom CSS, React-Bootstrap, and Styled Components.
- Utilized NewsApi and Disease.sh to pull in up-to-date data about Covid-19.

Bloo Karaoke - Github- [Frontend](#) / [Backend](#) | [Hosted Site](#) (Heroku) | [Demo](#)
A web-app designed to have users find a karaoke song that's best for them.
- Built user interface using React.
- Implemented the React-Piano package to have a working piano for users.
- Created auth-ready Rails backend for individual users.

Fifteen Minute Food - Github- [Frontend](#) / [Backend](#) | [Hosted Site](#) (Github Pages/Heroku) | [Demo](#)
A web-app designed to look up restaurants and order delivery. Group project.
- Built user interface using React.
- Created auth-ready Rails backend for individual users.
- Utilized Yelp API and Stripe API to further functionality/user experience.

EMPLOYMENT HISTORY

VOICE Charter Schools, Queens, NY
Elementary Music Teacher (Leave Replacement), March 2019 - June 2019
- Followed a lesson structure provided by the teacher on leave while recreating lessons to suit classroom needs and my own personal teaching style.
- Collaborated with other music teachers to plan concerts, curriculum direction, and grow professionally.

Shanghai Livingston American School, Shanghai, China
Elementary/Secondary Music Teacher, August 2015 - June 2018
- Taught elementary and middle school students in class sizes between 15-28 students per class.
- Successfully established and maintained a new elementary band program.

DYB Choison Hagwon, Seoul, South Korea
English Teacher (ESL/TOEFL Prep), August 2013 - June 2015
- Helped students achieve success in the realms of Speaking and Writing in English.
- Received promotion to teach students at the highest-level offered by the school.
